

# A Shining Testimony

Hi!  
My name is  
Steffani!

*I try to shine my light  
by sharing my testimony.*

### A Beautiful Island

I live in Sri Lanka. It's a beautiful island country near the southern tip of India. We have tropical forests, an aqua blue sea, and ancient historical ruins. I love my country!

### Friends from Everywhere

My school has children from many countries. Some are Christian, Muslim, Hindu, or Buddhist. We are all kind and friendly to each other.

### 1. A Scary Invitation

One day the Christian students at my school had a special assembly. We were invited to share our testimonies. A hush fell over the room. No one went up to the stage. Everyone was too afraid! I am very shy, so I felt that way too.

### 2. "Go, Go"

Then a warm wave flowed over me, and I felt the Holy Ghost tell me, "Go, go." I said a quick prayer in my heart. I walked up to the stage with butterflies fluttering in my stomach.

### 3. Sharing My Testimony

I told my classmates that Heavenly Father loves us and wants us to talk to Him often. I shared my experiences with prayer. I said I know Heavenly Father always listens to me and wants to help me. I was glad I had the courage to share my testimony. I felt like I had been a shining light in a quiet room.

### 4. Go and Do

My favorite scripture story is in the Book of Mormon, where Nephi says he will go and do what the Lord commands. I hope I can always have courage to do what Heavenly Father needs me to do.
