

YOUR  
ONCE UPON  
A TIME  
IS NOW

For a moment, think back about your favorite fairy tale. In that story the main character . . . must overcome adversity. . . .

. . . You will experience your own adversity. . . .

It is your reaction to adversity, not the adversity itself, that determines how your life's story will develop. . . .

. . . Your own wondrous story has already begun. Your "once upon a time" is now.
