

CHURCH SATELLITE BROADCAST SCHEDULE FOR THE 2006 BYU CAMPUS EDUCATION WEEK October 10–21, 2006 (For Viewing in Meetinghouses)

Information for Stake Technology Specialists

Instructions for Stake Technology Specialists

Digital systems are preprogrammed. No adjustments are necessary. Languages are preprogrammed in the receivers.

Stake technology specialists in the United States and Canada should refer to the instructions posted near the satellite equipment. Troubleshooting assistance can be provided only if a telephone is available at the satellite receiver location. **For technical assistance, call the Satellite Help Desk at 1-801-240-3454 (or toll free at 1-800-453-3860, extension 2-3454).**

Technology specialists in other areas should call the help desk at the area administration office if they need assistance.

***Note:** A test time precedes each satellite broadcast marked with an asterisk (*) in the schedule below. The standard test time is one hour. Actual test times may vary according to the broadcast schedule.

Video Reproduction

Video reproduction is authorized for Church use only. You may make copies for each meetinghouse library. Put the appropriate copyright notice for your area on each videocassette label:

Brigham Young University
2006 Campus Education Week

“Seek Learning”
(D&C 88:118)

Event Information

August 21–25, 2006
Brigham Young University
Provo Utah Campus

Whether you can come for the week, a day, or part of a day, please join us for Campus Education Week. The program will feature more than 1,100 adult and youth classes, 237 presenters, wonderful music and drama performances, and a youth dance on August 24.

This is a great educational opportunity to:

- Be renewed.
- Gain new perspectives.
- Continue learning.
- Regroup and refocus.
- Feel a spirit of inspiration.

Anyone age 14 or older may register for BYU Campus Education Week.

For program and registration information, please visit the Internet site listed below.

Broadcast Information

BYU Television
September 12–15, 2006

Church Satellite System
October 10–13, 2006

Twelve of the more than 1,100 Campus Education Week presentations from the 2006 program can be viewed on the above dates from 4:00 p.m. to 10:00 p.m. mountain daylight time (MDT).

For speakers and topics, please see the separate broadcast schedule.

Three presentations will be broadcast twice each evening, beginning at 4:00 p.m. MDT. Check with your stake or district for Church satellite locations and for the time the broadcast will be shown in your area.
