
Some themes to consider for the 2012 Church Music Submission are:

For children—tithing, Holy Ghost, plan of salvation, stay on the path

For youth—stand in holy places

For women—themes to do with the history and work of Relief Society

- History teaches us who we are—identity, revelation, Heavenly Father’s guidance
 - History teaches us what we are to do—build families and prepare for the temple, organize energies of sisters, minister and serve
 - History unites faithful women—worldwide connection to all daughters of God
 - Knowledge of history can help us change—teaches the principles, purposes, and patterns to strengthen us
-
