

## ESTIMATED MONTHLY MISSION COSTS FOR SENIOR COUPLES

## US \$/MONTH

The following costs include apartment rental, utilities, food and transportation. These costs DO NOT include prescriptions, tithing, fast offerings, long distance calls, cell phones, automobile expenses, personal care items, apartment set-up costs, et cetera. Deseret Mutual Benefit Association premiums ("church insurance") are also NOT included because many missionaries choose to obtain the necessary coverage from other sources, often as part of the missionary's retirement package. Once your call is received, it would be wise to contact the missionaries you will be replacing or others in your mission with similar assignments. This can be done through your Mission President and will provide you the most current local information.
