

## The Stake Audit Committee

### Responsibilities of the stake audit committee

- Train stake auditors how to perform Church financial audits.
- Make sure audits are completed properly and on time.
- Make sure financial practices are corrected when policies and procedures are not being followed.
- Inform the stake clerk when ward clerks or assistant clerks need training in Church finances.
- Help protect Church funds and those who handle these funds.
- Review ward audit reports and make sure corrective action has been taken.
- Know audit procedures and policies.

### Members of the stake audit committee

- One counselor in the stake presidency, who is the chairman.
- Two stake members who understand financial matters.
- Stake and ward clerks **should not** serve as auditors or as members of the stake audit committee.
