RECOMMENDATION AND MISSIONARY VISA

Missionary Recommendation

If you are thinking about serving a full-time mission, meet with your bishop to start the recommendation process. The time it takes to complete the recommendation depends on the couple's or the senior sister's ability to complete all of the recommendation requirements. Once all requirements are completed, the stake president submits the recommendation to the Missionary Department. Once submitted, it may take three to four weeks to process the recommendation before you receive your call. Some situations may delay the process (medical exams, procedures and so forth).

If you are unable to serve a full-time mission at this time, please investigate Church Service Missionary opportunities by contacting the Church Service Missionary Department at: 801-240-4914.

Passport and Missionary Visa

Obtaining a passport does not guarantee you will serve in a foreign mission. However, if your preference is to serve in a foreign country and you indicate this on your recommendation, you may consider applying for (or renewing) a passport. The passport is the first step to acquire a missionary visa and may significantly decrease the time it takes to process your visa.

If you are assigned to a foreign country, it may take two to nine months to obtain a missionary visa after you receive your mission call. The Church Travel Department will work with you to obtain your visa.

Medical Restrictions

A medical evaluation will be made of all prospective senior missionaries. This may result in some prospective missionaries not being able to serve in some locations of the world. If your preference is to serve outside of your own country, you may want to contact a nurse in the Senior Missionary Services to discuss your medical condition. 801-240-0322.

Mission Travel Expenses

Travel to and from your mission will be paid by the Church for senior missionaries who:

- Serve within their resident country
- Serve 18 or 23 months in a foreign country

Exceptions: Missionaries called to serve a 6 or 12-month foreign mission will be expected to pay their travel expenses to and from their mission. If senior missionaries extend to 18 or 23 months during their service, the Church will pay for their travel home.

Missionaries driving their own vehicle to their mission will receive a per diem allowance based on travel distance. The allowance provides for vehicle operating costs, lodging, and meals. The travel office at the Provo MTC will provide a check for travel expenses during orientation.

Senior missionary couples may serve in member and leader support, visitors' centers, mission offices, medical assignments, military relations, and more.

Member and Leader Support (MLS)

Member and leader support (MLS) is the most common type of assignment for senior missionary couples called to serve under the direction of the mission president.

Responsibilities

- This assignment encourages couples to share the gospel, reactivate and rescue less-active members, retain new converts, strengthen young single adults, and support local leaders in struggling wards, branches, and districts.
- Couples also provide a great and lasting influence on younger missionaries serving within a mission.

Only couples may serve as member and leadership support missionaries. We have needs for member and leader support couples to serve in the USA and around the world.

Mission Office Couples

Qualifications

- Senior missionary couples with experience using Microsoft Word and Excel are needed to serve as office couples.

Responsibilities

- Office assignments include secretary to the mission president, financial secretary, apartment administrators, vehicle fleet administrators, and referral secretaries. In addition, senior missionaries with office assignments may help with member and leader support (MLS) assignments in the evenings and on weekends.

URGENT NEEDS FOR SENIOR COUPLES

The missionary assignments below are urgent needs for the Church and are hard to fill because couples must have sufficient health and funds to serve in these locations. If you are interested in being considered for these assignments, please call 801-240-6741 for more information. **(Insurance not included in cost. Add \$518 to the costs listed in this table if you as a couple will require world-wide insurance)**

Missions in the United States and Canada

All missions within the United States and Canada need senior missionaries to serve in member and leader support as well as mission offices. Some missions can accommodate couples who want to live in their fifth-wheel trailer, travel trailer, or motor home.

Foreign Missions

Foreign language skills are needed in many locations. Consideration of possible assignments may take into account languages previously learned as a missionary, even though some brush-up may be needed.

If you are going to a country where another language is spoken, you may participate in one-on-one language-tutoring sessions (whether or not a language is required). These sessions are available via Skype and/or in-person visits at the MTC.

You may participate in online tutoring both before entering the MTC and after arriving in the mission field.

Missionaries serving in an English-speaking assignment in a foreign country may wish to learn the native language to help them share the gospel, interact with neighbors, shop, and participate in their ward or branch.

After receiving a mission call, interested seniors may request one-on-one tutoring by following the instructions included in their call packet or by e-mailing a request to onlinetutoring@mtc.byu.edu.

Current needs:

There is currently an urgent need for Spanish speaking couples.

We urgently need full-time senior missionary couples and single sisters (age 40 and above), including those living nearby, to come and join the more than 1000 senior missionaries now serving in this unique Mission, here at the Salt Lake Temple Square Campus. Qualifications

- Your life and Church experiences will qualify you for the work.

You don't have to be a computer expert to serve here. We provide the training while helping you research your own family tree.

Housing for our away-from-home missionaries is located within a few blocks of Temple Square. Both away-from-home and live-at-home missionaries attend and participate in two special missionary-only Church branches, forming many new friendships. Serving here is truly a spiritual feast, with frequent opportunities to attend 10 local temples, research your own family history and enjoy special Church events on Temple Square and at the Conference Center.

This mission offers a unique opportunity for senior single sister missionaries, who can serve without a full-time missionary companion. Each sister lives in her own private apartment located within easy walking distance to their work assignments. Apartments are safe and secure.

The single sisters in our mission form lasting bonds with each other as they serve together and live as neighbors, while maintaining the independence they have grown accustomed to as a senior single.

Miracles happen here every day—witness lives change as you help guests discover their ancestors and Church heritage. Come be a part of it! If you think you might enjoy full-time missionary service here, please contact Elder Hodges, our Mission Executive Secretary, before you submit your missionary recommendation.

If you are unable to serve a full-time mission at this time, please investigate Church Service Missionary opportunities in our Mission by contacting our Church Service Missionary Coordinator at: 801-240-7803.

Senior couples and a few senior single sisters with experience as temple ordinance workers are needed to serve as full-time missionaries in temples around the world. Most temples are staffed with local temple ordinance workers but some areas rely on the help of temple missionaries.

Temple Assignments can be for 6, 12, 18 or 23 months. The Church will pay travel costs for all domestic assignments, and for foreign assignments of 18 or 23 months. It is not possible to extend the length of service for most English-speaking temple assignments. Because of the demand to serve in the Nauvoo and Palmyra temples, assignments are limited to either one or the other for twelve months.

Temple missionaries called from the continental United States and Canada normally attend a three-day training seminar held in the Salt Lake Temple at the beginning of their missionary service. This training is not available for six month assignments.

When missionary papers are ready to be submitted, prospective missionaries may contact the coordinators to advise them of interest in a particular assignment.

Miscellaneous: Non-Missionary Opportunities

The China Teacher Program (CTP) is a nonprofit outreach program of the David M. Kennedy Center for International Studies at Brigham Young University. It was established in 1989 to provide seasoned American teachers to selected outstanding Chinese universities. Teachers are currently placed at 18 partner universities in nine cities throughout China. Teachers need to have a university degree, not necessarily in education, have some teaching experience, and be between 40 and 65 years old.

Our teachers are educators and professionals who bring the wisdom and experience of their successful careers to their classes. Typical assignments are for one academic year, and most are asked to teach oral and written English. All teachers participate in a mandatory two-week, 100 hour, TEFL training program at the Kennedy Center prior to leaving for China. Additional information can be found online at kennedy.byu.edu/chinateachers or by calling 801-422-5321.

For additional health insurance information consult website www.dmba.com/ssmp

***Monthly cost estimates for couples listed in the table below for each LDS Church mission DO NOT INCLUDE THE COST FOR PERSONAL HEALTH INSURANCE. With the exception of live-at-home missionaries, all full-time senior missionaries are required to have personal health insurance. Since Medicare does not provide world wide health insurance, most senior missionaries who serve international missions will need to acquire world wide health insurance. Any insurance acquired will need to meet the criteria set by the Missionary Department. The Church helps in**

providing a very competitive rate for world wide health insurance for seniors through DMBA (Deseret Mutual Benefits Association). The monthly rate starting in October 2017 will be \$259 per individual and \$518 per couple. If you need to acquire personal health insurance please add the cost of the insurance to the Estimated Monthly Cost of the mission given below to determine the total monthly cost of the mission.

RECOMMENDATION INSTRUCTIONS

Completing your Online Recommendation

Prospective Senior Missionaries

Submit your missionary recommendation forms on the Internet using the Missionary Online Recommendation System (available in most countries; check with your priesthood leader). Languages enabled for online recommend: English, Portuguese, Spanish.

When prospective senior missionaries complete the missionary online recommendation forms, they are encouraged to indicate their interests and preferences regarding where and how they would like to serve. Please remember, assignments are made by the Lord through His ordained Apostles, and prospective missionaries should be willing to serve wherever and in whatever capacity they are called.

To complete your online recommendation forms:

1. Ask your bishop to initiate your online recommendation.
2. Open your Web browser (using Internet Explorer, Chrome, or Firefox; Safari is not supported).
3. Type **www.lds.org/mss** in the **Address** bar and then press the **Enter** key.
4. If you don't have an LDS Account (the same account used to access the stake and ward website and Family Search), click **Obtain an account**. Follow the steps on the LDS Account site to create an account with a user name and password. You will need your membership record number, which is on your temple recommend and an Email address. (For couples, each spouse must register for an LDS Account.) Contact your stake technology specialist if you need help with this step.

5. When your LDS Account registration is complete, or if you already have an LDS account, type your user name and password on the Missionary Online Recommendation System sign-in page.
6. Click **Sign In**.
7. Complete each section in the candidate checklist.
8. Print out the medical and dental forms to be completed by your physician and dentist. You should not schedule your exams until you have completed your medical information in the system.
9. Accept and sign the privacy and release of information agreement. (For couples, each spouse must sign in separately using their LDS user name and password and complete this step.) This is required before submitting your recommendation to your bishop.
10. Click **Submit Recommendation Forms**.

Your bishop will forward the online forms to your stake president, who can submit them to the Missionary Department up to nine months before your availability date. Your call letter should be mailed three to four weeks after your stake president submits your recommendation.

NOTE:

Your MTC date may be delayed by VISA wait times, which are outside the control of the Missionary Department.

New Instructions for Full-Time Live-at-Home Senior Missionaries

As of May 20, 2014 local priesthood leaders now have the ability to select an additional option in the Missionary Online Recommendation System for prospective senior missionaries to serve a full-time live-at-home mission.

Please review the following expectations with prospective senior missionaries before recommending them to serve a live-at-home mission:

- They should be 40 years of age or older.
- They should not have any dependent children under the age of 18 living at home.
- They should not be employed (either full or part-time) while serving.
- They will continue to be responsible for all their living expenses (e.g., food, housing, medical, insurance, transportation, etc.) and will not receive any financial support since they are serving while living at home.
