RECOMMENDATION AND MISSIONARY VISA
Missionary Recommendation
If you are thinking about serving a full-time mission, meet with your bishop to start the recommendation process. The time it takes to complete the recommendation depends on the couple’s or the senior sister’s ability to complete all of the recommendation requirements. Once all requirements are completed, the stake president submits the recommendation to the Missionary Department. Once submitted, it may take three to four weeks to process the recommendation before you receive your call. Some situations may delay the process (medical exams, procedures and so forth).

If you are unable to serve a full-time mission at this time, please investigate Church Service Missionary opportunities by contacting the Church Service Missionary Department at: 801-240-4914.

Passport and Missionary Visa
Obtaining a passport does not guarantee you will serve in a foreign mission. However, if your preference is to serve in a foreign country and you indicate this on your recommendation, you may consider applying for (or renewing) a passport. The passport is the first step to acquire a missionary visa and may significantly decrease the time it takes to process your visa.

If you are assigned to a foreign country, it may take two to nine months to obtain a missionary visa after you receive your mission call. The Church Travel Department will work with you to obtain your visa.

Medical Restrictions
A medical evaluation will be made of all prospective senior missionaries. This may result in some prospective missionaries not being able to serve in some locations of the world. If your preference is to serve outside of your own country, you may want to contact a nurse in the Senior Missionary Services to discuss your medical condition. 801-240-0322.

Mission Travel Expenses
Travel to and from your mission will be paid by the Church for senior missionaries who:
- Serve within their resident country
- Serve 18 or 23 months in a foreign country

Exceptions: Missionaries called to serve a 6 or 12-month foreign mission will be expected to pay their travel expenses to and from their mission. If senior missionaries extend to 18 or 23 months during their service, the Church will pay for their travel home.

Missionaries driving their own vehicle to their mission will receive a per diem allowance based on travel distance. The allowance provides for vehicle operating costs, lodging, and meals. The travel office at the Provo MTC will provide a check for travel expenses during orientation.

Missions in the United States and Canada
All missions within the United States and Canada need senior missionaries to serve in member and leader support as well as mission offices. Some missions can accommodate couples who want to live in their fifth-wheel trailer, travel trailer, or motor home.

Foreign Missions
Foreign language skills are needed in many locations. Consideration of possible assignments may take into account languages previously learned as a missionary, even though some brush-up may be needed.

If you are going to a country where another language is spoken, you may participate in one-on-one language-tutoring sessions (whether or not a language is required). These sessions are available via Skype and/or in-person visits at the MTC.

You may participate in online tutoring both before entering the MTC and after arriving in the mission field.

Missionaries serving in an English-speaking assignment in a foreign country may wish to learn the native language to help them share the gospel, interact with neighbors, shop, and participate in their ward or branch.

After receiving a mission call, interested seniors may request one-on-one tutoring by following the instructions included in their call packet or by e-mailing a request to onlinetutoring@mtc.byu.edu.

Current needs:
There is currently an urgent need for Spanish speaking couples.

Senior sisters called to serve in North America are required to take their own car except for the Utah Salt Lake City Headquarters Mission and Hawaii.

Area Technology Specialist (ATS)

Many areas around the world are limited in their capacity to utilize Meetinghouse Technologies due to lack of local members sufficiently skilled to fill Stake Technology Specialist (STS) callings. Area Technology Specialists serve in those countries promoting technology self-reliance in stakes and districts by working with local leaders to call and train stake, district and assistant technology specialists. ATSs assist local units in leveraging technology to bring souls to Christ.

ATSs are expected to have knowledge of computers, printers, copiers, scanners, wired and wireless networks, and audiovisual equipment. Training is provided before entering the MTC and support is available throughout the mission.

For information about the technologies that an ATS may work with, go to MHTech.lds.org. Senior couples and a few senior single sisters with experience as temple ordinance workers are needed to serve as full-time missionaries in temples around the world. Most temples are staffed with local temple ordinance workers but some areas rely on the help of temple missionaries. Temple Assignments can be for 6, 12, 18 or 23 months. The Church will pay travel costs for all domestic assignments, and for foreign assignments of 18 or 23 months. It is not possible to extend the length of service for most English-speaking temple assignments. Because of the demand to serve in the Nauvoo and Palmyra temples, assignments are limited to either one or the other for twelve months.

Temple missionaries called from the continental United States and Canada normally attend a three-day training seminar held in the Salt Lake Temple at the beginning of their missionary service. This training is not available for six month assignments.

When missionary papers are ready to be submitted, prospective missionaries may contact the coordinators to advise them of interest in a particular assignment.

**Miscellaneous: Non-Missionary Opportunities**

The China Teacher Program (CTP) is a nonprofit outreach program of the David M. Kennedy Center for International Studies at Brigham Young University. It was established in 1989 to provide seasoned American teachers to selected outstanding Chinese universities. Teachers are currently placed at 18 partner universities in nine cities throughout China. Teachers need to have a university degree, not necessarily in education, have some teaching experience, and be between 40 and 65 years old.

Our teachers are educators and professionals who bring the wisdom and experience of their successful careers to their classes. Typical assignments are for one academic year, and most are asked to teach oral and written English. All teachers participate in a mandatory two-week, 100 hour, TEFL training program at the Kennedy Center prior to leaving for China. Additional information can be found online at kennedy.byu.edu/chinateachers or by calling 801-422-5321.

**ESTIMATED MONTHLY MISSION COSTS FOR SENIOR COUPLES**

**Estimated Mission Costs Include the Following**

**Housing**—Includes rent, utilities, all furnishings, fees, parking (will not exceed $1400 for couples). This is a fixed cost average in most missions that senior missionaries donate each month directly to their home ward as a “Ward Missionary Donation.”

**Personal**—Consumables, food, personal care (bath supplies, office supplies, laundry, haircuts, etc.). This is a variable out-of-pocket cost that is paid by the missionaries in the mission field to local vendors. (differs with each missionary based on spending habits and wants & needs.)

**Transportation**—personal auto operating costs (excluding auto insurance), car rental and fuel for some missions, or public transportation costs. If missionaries in foreign country service are assigned a mission vehicle they are charged $150 USD per month which is a part of the transportation costs and which they pay to their home ward. All other transportation costs are paid out-of-pocket in the mission field.

**NOTE:**
The above three costs plus the cost of health insurance represent the total estimated costs for serving a senior couple’s mission. These costs represent the out-of-pocket costs paid in the country you are serving and the donation (housing & car rental) costs paid to your home ward. If a couple opts to serve less than 18 months in a foreign mission, they will incur the additional cost of air travel to and from their mission field.

**Single Senior Sisters** are responsible for their own mission costs, which are approximately 80% of the amounts shown for couples.

**Estimated Mission Costs DO NOT Include the Following**

**Communications**—Internet, cable/satellite TV, telephone service, or personal cell phone.

**Medical Care**—Prescription drugs, over-the-counter medications/supplies, or physician care.

**Personal Health Insurance (see below)**

**Other**—Gifts, charitable giving, clothing, personal obligations, entertainment, etc.

**Health Insurance Requirements to Serve**

Adequate health insurance coverage is required to serve a full-time senior mission. Health insurance may be purchased from DMBA/Aetna International for an additional $259/month per person.

For additional health insurance information consult website www.dmba.com/ssmp

*Monthly cost estimates for couples listed in the table below for each LDS Church mission DO NOT INCLUDE THE COST FOR PERSONAL HEALTH INSURANCE. With the exception of live-at-home missionaries, all full-time senior missionaries are required to have personal health insurance. Since Medicare does not provide world wide health insurance, most senior missionaries who serve international missions will need to acquire world wide health insurance. Any insurance acquired will need to meet the criteria set by the Missionary Department. The Church helps in providing a very competitive rate for world wide health insurance for seniors through DMBA (Deseret Mutual Benefits Association). The monthly rate starting in October 2017 will be $259 per individual and $518 per couple. If you need to acquire personal health insurance please add the cost of the insurance to the Estimated Monthly Cost of the mission given below to determine the total monthly cost of the mission.*

New Instructions for Full-Time Live-at-Home Senior Missionaries

As of May 20, 2014 local priesthood leaders now have the ability to select an additional option in the Missionary Online Recommendation System for prospective senior missionaries to serve a full-time live-at-home mission.

Please review the following expectations with prospective senior missionaries before recommending them to serve a live-at-home mission:

• They should be 40 years of age or older.
• They should not have any dependent children under the age of 18 living at home.
• They should not be employed (either full or part-time) while serving.
• They will continue to be responsible for all their living expenses (e.g., food, housing, medical, insurance, transportation, etc.) and will not receive any financial support since they are serving while living at home.
