

## GRANDPARENT BOXES

### ABOUT

#### Objective

Parents and children have a family history experience as they create boxes filled with questions the children will ask their grandparents.

#### Audience

Parents and children

### DESCRIPTION OF ACTIVITY

Invite families to come to the center to create grandparent boxes. Have parents help children create and decorate a box for each grandparent. Have the children, with the help of their parents, write questions they want to ask the grandparents, and put the questions in the box. Encourage families to deliver their boxes to grandparents and listen to them answer the questions.
