

ANIMAL JINGLES

By O. J. Robertson

Here are jingles about animal sounds.
Draw a line from each jingle to the
animal that makes that sound.

1. As I walk the jungle floor,
I roar, roar, ROAR.
2. As I eat my corn and hay,
I bray, bray, BRAY.
3. As I munch grass wet with dew,
I moo, moo, MOO.
4. As in the lily pond I soak,
I croak, croak, CROAK.
5. When I want my morning meal,
I squeal, squeal, SQUEAL.
6. In the dark woods, when I prowl,
I howl, howl, HOWL.
7. As I strut about and wobble,
I gobble, gobble, GOBBLE.
8. If there's noise when it is dark,
I bark, bark, BARK.
9. When I sing a song for you,
I coo, coo, COO.
10. If you're sleeping, I wake you
With a COCK-A-DOODLE-DOO.
11. If you train me, I may talk,
Otherwise, I squawk, squawk,
SQUAWK.
12. My "footprint" is a three-toed track;
I quack, quack, QUACK.
