

JESUS

Learned and Grew

As a child, Jesus grew in the same ways you are growing! Make this cube to use for the activity on page 6.

Jesus loves you! Roll again.

“And Jesus increased in wisdom and stature, and in favour with God and man” (Luke 2:52). Roll again.

Jesus grew “in wisdom.” He learned new things.

Jesus grew “in favour with God.” He learned from and followed Heavenly Father.

Jesus grew “in stature.” His body grew.

Jesus grew “in favour with man.” He made new friends.
