

My Four-Generation Pedigree Chart

The chart is a tree structure starting from 'My name' on the left. A vertical line goes up to a box labeled 'My father's name'. From this box, a horizontal line goes right to a box labeled 'My paternal grandfather's name'. From that box, a vertical line goes up to a box labeled 'My great-grandfather's name'. From the 'My father's name' box, a horizontal line goes right to a box labeled 'My paternal grandmother's name'. From that box, a vertical line goes up to a box labeled 'My great-grandmother's name'. From the 'My name' box, a vertical line goes down to a box labeled 'My mother's name'. From this box, a horizontal line goes right to a box labeled 'My maternal grandfather's name'. From that box, a vertical line goes up to a box labeled 'My great-grandfather's name'. From the 'My mother's name' box, a horizontal line goes right to a box labeled 'My maternal grandmother's name'. From that box, a vertical line goes up to a box labeled 'My great-grandmother's name'. The chart is symmetrical, showing both paternal and maternal lines.
