

INSIGHTS

How do we view our spouse?

“None of us marry *perfection*; we marry *potential*. The right marriage is not only about what I want; it’s also about what she—who’s going to be my companion—wants and needs me to be.”

Elder Robert D. Hales of the Quorum of the Twelve Apostles, “Meeting the Challenges of Today’s World,” *Ensign*, Nov. 2015, 46.
