

Your Own Time Line

By Amie Jane Leavitt

Time lines show us the order of when important things happened. They can show events from hundreds of years ago, a few years ago, or even a couple of days ago.

Page 47 shows a time line of the life of the Prophet Joseph Smith. Notice how it includes important events in his life.

Use the time line below for your own life so far. After filling in your name and the date and place of your birth, add other events such as your baptism and confirmation dates, family vacations, when you started school, when you learned to tie your shoes, and when siblings were born. You can also add small photos or drawings if you'd like.
