

# I Find the Savior

By Tina Dean

I find the Savior when I pray  
In quiet moments every day,  
In scripture stories that I read,  
In all the sacred hymns I sing.

In words of prophets, parents, teachers—  
I find the Savior through my leaders,  
Who teach me how to find the Lord  
Through obedience to His word.

I find the Savior as I'm kind  
And as I choose to spend my time  
Helping people with their troubles,  
Teaching, serving, loving others.

I find the Savior when I choose  
To try my best in all I do  
And ask for help when I can't see  
The victor that He sees in me.
