

Heavenly Father Prepared a Way for Me to Return to Him

Before we came to earth, we all lived in heaven with our Heavenly Father and His Son, Jesus Christ.

Heavenly Father told us about His plan for us. We chose to follow Heavenly Father's plan and come to earth.

Heavenly Father loves us and wants us to return to Him. He sent His Son, Jesus Christ, to show us the way and help us get back to Him.

When we return to Heavenly Father, He will welcome us back with open arms!

being baptized and confirmed,

taking the sacrament,

making temple covenants,

IDEAS FOR FAMILY TALK

This message explains Heavenly Father's plan in a very simple way. You could have members of the family take turns using the visuals to explain the different parts of the plan. Then you could talk together about how you can help each other stay on the path that leads back to Heavenly Father.
