

Abraham W., age 6, California, USA

When I went with my father to the Buenos Aires Argentina Temple, I got to see many beautiful places and many sacred rooms inside. It was an open house, so for a few days many people could see the temple. Soon I will be old enough to enter the temple and do baptisms for the dead. I love Jesus Christ and my family.

Repentance

Repentance is a gift from heaven above, Our Heavenly Father gave us with love. We say, "I'm sorry," and fix our mistake. Then we feel peace to fix the heartache. Repentance is a shower to make us clean. It brings us closer to heaven, if you know what I mean.

Nelson B., age 8, Utah, USA

I broke my arm while I was playing at school one day. I had to have surgery and stay in the hospital for two days. After I got out of the hospital, my mom and dad told me that one of my friends from my class had died that day. I was so sad because he was one of my best friends. My dad gave me a priesthood blessing. The blessing made me feel good inside. I am thankful that we know Heavenly Father will let us see our families and friends again.

One day my sister and I were playing outside with our friends. During the game one of our friends used Heavenly Father's name in vain. My sister and I told her in nice voices that that was not a good word to say. Now all our friends know that we do not like saying that word. My sister and I felt warm and happy inside for setting an example of not using Heavenly Father's name in vain.
