## Following Jesus Today

A boy in my class has autism. He is a nice boy who tries really hard to learn. At break time another girl said, "Let's tease him." A thought in my mind said, No, don't tease him. I told the girl, "No." Then she decided not to tease him either. I know the Spirit prompted me to not tease him because he's a child of God too.

One Sunday my little sister drank my brother's juice, so my brother was mad at her. I decided to share my juice with my brother and sister. I knew it would make them happy. It did! I felt very, very good inside. I knew I was choosing the right.
