One day I was in my room, and I looked at my picture of Jesus. I felt a warm feeling inside that Heavenly Father loves me. I also felt the Holy Ghost tell me that Jesus is real and He loves me too.

Heavenly Father's Plan
 Heavenly Father has a plan. It's very easy to understand. First He made the Earth, Then He sent me here through birth. I grow and learn in my family, And if I choose the right happily, I can live with Him again, For death is not the end. It really is simple, so you see, Heavenly Father really loves me!
Katie A., age 10, Pennsylvania, USA

When I lie down to sleep, I often feel scared. Whenever I feel that way at night, I try to think of Jesus, and then the Holy Ghost is with me. Then the scary thoughts go away.

Jeffrey C., age 8, St. Eustatius, Caribbean, Netherlands

We live on an island in the Dutch Caribbean, and we are the only members of the Church there. My father baptized me in the Caribbean Sea. My great-grandparents, grandparents, branch president and his wife, and two other people who are not members of our Church attended.

I invited two friends to our Church branch activity. It was an indoor fair. Even though only one of them came, I felt good about inviting them. I am glad that I could be a missionary.
