

ACTION RHYME

Thank You!

By Jordan Monson Wright

When someone
gives me food to
eat, or shares with
me a yummy treat,

When I don't
put my shoes on
right and some-
one helps me tie
them tight,

When
someone helps
me reach the
shelf because
I can't reach it
myself,

Then I remember
what to do! I smile
at them and say,
"Thank you!"
