

# Come, Follow Me

for Little Ones

Here are some activity ideas for toddlers and young children that go along with each week's reading.

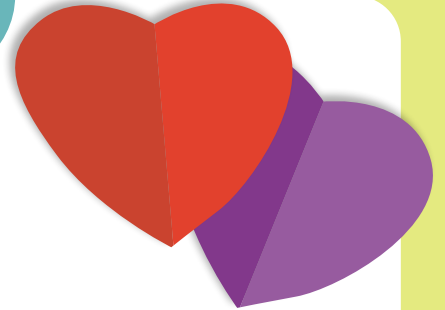

FOR  
Moroni 1-6

## THE SACRAMENT

**Read the sacrament prayers in Moroni 4:3 and 5:2** out loud. Each time you get to Jesus Christ's name, pause and prompt your little ones say it. Explain that the sacrament is about Jesus. You could also watch a video at [BibleVideos.org](http://BibleVideos.org) about Jesus sharing the sacrament with His disciples.

FOR  
Moroni 7-9

## CHARITY AND LOVE

**Read Moroni 7:47** together and help your little ones say, "Charity is the pure love of Christ." Explain that *charity* is another word for *love*. Think of someone who needs extra love right now. Then cut out and decorate paper hearts together. You could secretly tape the hearts on their front door or find another way to deliver the hearts to them.

FOR  
Moroni 10

## THE HOLY GHOST

**Read Moroni 10:5** together and help your little ones say, "The Holy Ghost helps me know what is true." Some children mistakenly think the Holy Ghost is a spooky ghost. Explain that the Holy Ghost is a real person, like Heavenly Father and Jesus. He helps us have comforting, warm, happy feelings. You could cuddle up together in a blanket and watch the sing-along video for "The Holy Ghost" at [children.ChurchofJesusChrist.org](http://children.ChurchofJesusChrist.org).
