

# MATT and MANDY

Matt and Mandy have a new way to memorize the Articles of Faith—with checkers! Before making a move, the first player recites the first few words. The next player repeats it and then adds a few more words before making their move.

"... all that God has revealed ..."

All that God has revealed is a lot! The Bible, the Book of Mormon, and, well ... lots!

The next move ...

"... all that He does now reveal ..."

Dad, what are some examples?

Well, it would include things we learn in conference.

Like where new temples are going to be built!

A few moves later ...

"... He will yet reveal many great and important things ..."

I love that God still talks to us through His prophets.

**Ninth Article of Faith**  
"We believe all that God has revealed, all that He does now reveal, and we believe that He will yet reveal many great and important things pertaining to the Kingdom of God."
