

# Jesus Taught Others

When Jesus was a child, He "increased in wisdom" (Luke 2:52). That means He learned many things.

When Jesus was 12, His family went to Jerusalem. On their way back, Mary and Joseph realized that Jesus was not with them. They went back to Jerusalem to search for Him. They found Jesus teaching in the temple. The people were listening to Him and asking Him questions. They were amazed at what He knew. Jesus spent His life teaching others. ●

You can read the whole story in Luke 2:40-52.

I help my younger sister do her homework for preschool. I teach her to draw and write her name. When my family studies *Come, Follow Me* at night, I help my sister with the scriptures. I show her the pictures and explain them to her.
