

Dear Friends.

Temples are houses of the Lord. They are holy places where we learn about Heavenly Father's plan and make covenants (promises) with Him. In the temple, we can be baptized for those who have died and be sealed to our families forever.

Even if you are too young to go inside the temple now, you can still look forward to going someday. Go to page 24 to learn more about going to the temple. What can you do now to prepare?

Love,
The *Friend*

FOREVER FAMILY

I cut out the picture of the Barranquilla Colombia Temple and drew my family inside (Dec. 2019). I want my family to be together forever!
