Animan's Helping Hands

Animan helps by filling the water drum his family uses for washing. He also helps his family with their shop. He sweeps, cleans, and fills the shelves. He is honest with customers.

Animan always tries to be a good example. Sometimes people make fun of him for not drinking alcohol. But others support him when he defends what is right. He says doing what's right makes him feel like he won a trophy! Animan is a deacon. He likes to pass the sacrament because it helps people remember Jesus. ●

Animan follows Jesus by standing up for what's right. Turn the page to read a story about how Jesus did what was right.
