

Jesus Shared the Truth

One day, Jesus visited the town where He grew up. He spoke to the people there. He told them that He was the Savior.

The people didn't believe Him. They were angry. But Jesus knew what He said was true. He wasn't afraid. He always shared the truth. ●

You can read this story in Luke 4:16-30.

I CAN SHARE MY TESTIMONY

Who can you share your testimony with?

Say a prayer and make a plan.

Do your plan!

This year I made a goal to send a spiritual message and song to my friends and cousins. It's made me and them feel better.
