

# Neighbor Puzzle

Mei wants to show love for her neighbors by giving them pineapple buns. Use the clues to help her find out who lives on each floor.

1. Mei lives on the bottom floor.
2. Wong and Deshi both have pets.
3. Deshi and Eric live in apartments with red doors.
4. Cherry lives higher than Eric but lower than Roy.
5. Roy grows flowers in his window, just like Chen.
