

Jesus Was a Peacemaker

Jesus Christ taught His disciples on a mountain. What He taught is called the "Sermon on the Mount." He said, "Blessed are the peacemakers" (Matthew 5:9).

A peacemaker is someone who brings peace to others. Jesus was a peacemaker. He helped people feel peace by serving and blessing them. He still helps us feel peace today. ●

I CAN BE A PEACEMAKER

Who can you help feel peace?

Say a prayer and make a plan to help them.

Do your plan!

Cut out this card to remind you to keep helping like Jesus.

I made a "get-along bucket." I filled it with slips of paper that said things that me, my sister, and my brother can do together. On the back of the papers, I wrote Primary songs that we know. I felt the Holy Ghost while I was making the get-along bucket. I felt grateful for my family.
