Septream's Helping Hands

Septream goes to school in a big city. Sometimes at school he notices friends who don't have enough food. So he shares his snacks and lunch with them. Septream says helping others makes him feel good. "It makes me want to do more. I feel happy when I am following Jesus," he says.

Septream says we are blessed when we serve others. "When we do something good, God will bless us. Jesus says that doing good things for other people is like doing good things for Him." ●
