

Deborah under the Palm Tree

Color the pieces and cut them out along the blue lines. (Do not cut along the top of Deborah's head—leave her attached to the base.) Fold the tab and then bend the tree base to glue the tab to the other side. Glue or tape the leaves to the top.

Deborah was a righteous leader of the children of Israel. The scriptures say she sat beneath a palm tree to listen to and teach the people (see Judges 4:4-5).
