

Smol Kat blong Bred

I kam long Gayle Kinney-Cornelius
(I folem wan tru stori)

“Taem we yufala i stap wok blong ol narafala man, yufala i stap mekem wok blong God blong yufala nomo” (Mosaea 2:17).

Sammy i openem ol ae blong hem mo i pulum bigfala win. Hem i save smelem wan samting we i naes tumas blong kakae.

!Mmmm, Papa i stap mekem bred!

Sammy i tingting long hemwan.

Papa i stap bekem bred blong famli evri Satedei. Sammy i laekem blong wajem hem i karemaot ol naes braon bred long oven. Oltaem Papa i givim fas pis blong bred we oli katem i go long Sammy.

Be tedei i no Satedei, Sammy i tingting. ?From wanem Papa i stap bekem bred?

Sammy i kamaot long bed mo i go long kijin. Hem i askem long Papa se wanem i stap hapen.

“?Yu tingbaot wanem bisop blong yumi i askem yumi blong mekem?” Papa i askem.

Sammy i saksakem hed blong hem se yes. “Hem i bin askem yumi blong helpem ol pipol. Mo mi bin helpem Sista Martin blong karem ol basket blong hem i go antap long ol step, ?yu tingbaot?”

“Yu bin mekem wan gudfala wok,” Papa i talem. “Mi bin prea abaot olsem wanem mi save help. Mi gat wan aedia blong bekem bred blong serem.”

Sammy i lukluk i go insaed long windo blong oven. Hem i kaontem ol bred.

“Wan. . . tu . . . tri . . . fo. ?Bae yu givim ol bred ia long huia?”

“Hemia i wan samting we mi nidim help blong yu long hem,” Papa i talem. “I gat wan bred blong Sista Martin. Mo tu bred blong famli Miller. Bae yumi givim namba fo bred long huia?”

Sammy i tingting long hemia.

“?Be Mista Lee?” Sammy i askem. Mista Lee i stap laef long wan apatmen bilding blong olgeta. Hem i no stap go aotsaed tumas. Fulap taem hem i stap wajem ol pipol long windo blong hem nomo.

“Hemia wan gudfala aedia,” Papa i talem.

Afta we bred i tan, Sammy i helpem Papa blong kavremap ol bred. Afta hem i go long kat blong hem. Hem i putum ol bred insaed.

“!Kat blong bred i rere blong ron!” Sammy i talem.

Papa i helpem Sammy blong pulum kat. Hat blong Sammy i filim naes mo wom, !semak olsem ol bred ia we oli stap wantem blong serem nao! ●
