Of the Quorum of the Twelve Apostles
October 2014 general conference

“Study the word of God in the scriptures and the words of the living prophets. We talk to God through prayer. He most often communicates back to us through His written word. To know

what the voice of the Divine sounds and feels like, read His words, study the scriptures, and ponder them. Make them an integral part of everyday life...

“Don’t yield to Satan’s lie that you don’t have time to study the scriptures. Choose to take time to study them. Feasting on the word of God each day is more important than sleep, school, work, television shows, video games, or social media. You may need to reorganize your priorities to provide time for the study of the word of God. If so, do it!”
