

# LOVE

is making space in your  
life for someone else.

“Love is making space in your life for someone else. . . .

“Mothers literally make room in their bodies to nurture an unborn baby—and hopefully a place in their hearts as they raise them—but nurturing is not limited to bearing children. Eve was called a ‘mother’ before she had children [see Genesis 3:20].

I believe that ‘to mother’ means ‘to give life.’ Think of the many ways you give life. It could mean giving emotional life to the hopeless or spiritual life to the doubter. With the help of the Holy Ghost, we can create an emotionally healing place for the discriminated against, the rejected, and the stranger. In these tender yet powerful ways, we build the kingdom of God. Sisters, all of us came to earth with these life-giving, nurturing, maternal gifts because that is God’s plan.”
