## Unmix the Metaphors

Someone's put a monkey wrench in the ointment and a fly in the works. These metaphors from the scriptures have gotten all mixed up. **See if you can replace the highlighted words with the correct ones.** Answers on page 45.

- Then had thy peace been as a **flood** (Isaiah 48:18).
- First cast out the **apple** out of thine own eye (Matthew 7:5).
- I send you forth as a **lion in his den** (Matthew 10:16)
- The wise man built his house upon a **cage** (Matthew 7:24)
- The word of God is . . . sharper than **honey and the honeycomb** (Hebrews 4:12).
- [The wicked] lieth in wait secretly as **sheep in the midst of wolves** (Psalm 10:9)
- The sow that was washed [has returned] to her wallowing in the **pearls** (2 Peter 2:22).
- We all do fade as a **whirlwind** (Isaiah 64:6).
- [The judgments of the Lord are] sweeter . . . than **any twoedged sword** (Psalm 19:10).
- As a **snail which melteth**, so a fool returneth to his folly (Proverbs 26:11).
- As a **rock** is full of birds, so are their houses full of deceit (Jeremiah 5:27).
- As a **dog returneth to his vomit**, let every one of [the wicked] pass away (Psalm 58:8).
- Keep me as the **beam** of the eye (Psalm 17:8).
- Don't cast your **mire** before swine (Matthew 7:6).
- Righteousness and truth will I cause to sweep the earth as with a **river** (Moses 7:62).
- Your destruction cometh as a **leaf** (Proverbs 1:27).

- A** pearls
- B** apple
- C** cage
- D** sheep in the midst of wolves
- E** flood
- F** honey and the honeycomb
- G** whirlwind
- H** snail which melteth
- I** mire
- J** beam
- K** rock
- L** a lion in his den
- M** river
- N** any twoedged sword
- O** leaf
- P** dog returneth to his vomit

## Justice Is Sweet

The campfire has finally died down to the perfect level of marshmallow-roasting coals. It's s'more time! However, you discover that one of the large chocolate bars has already been partially hollowed out with surgical precision.

**Can you detect the matching pattern of chocolate squares that fits exactly into the empty spaces, thus identifying the thief? Patterns may be rotated but not flipped.** Answer on page 45.

## Bring on the Cureloms!

On this page a few months ago we mentioned cureloms (see Ether 9:19) and invited you to tell us what a group of cureloms is called and to send in drawings of what they may have looked like. Here are some of your responses.

A pack of elephants is a parade. A pack of cureloms is a march.

*Berkley E., 14, Arizona, USA*

I think a group of cureloms is called a curry or a cureleem.

*Aubree R., 13, North Carolina, USA*

A group of cureloms should be called a cunfuzzle of cureloms!

*Michelle D., 17, Utah, USA*

A mystery of cureloms.

*Addie P., 12, Idaho, USA*

A group of cureloms should be called a fluff of cureloms.

*Katie F., 15, Colorado, USA*

A group of cureloms should be called a quorum.
