Information for the Stake Technology Specialist

This broadcast may be viewed on the Church satellite system, LDS.org, motab.org, and other media as listed below.

For instructions on preparing for a satellite broadcast or calling for technical assistance, refer to *Satellite Equipment Information for the Stake Technology Specialist*. This document should be located near the satellite receiver.

For technical information about satellite, internet, or other equipment used to receive Church broadcasts in a meetinghouse, go to mhtech.lds.org. If your language is not available on this website, the assigned administrative office can provide assistance.

Note: If you read and write English, please fill out the Broadcast Postevent Survey after the broadcast has concluded (the survey is currently available only in English). To access the survey, go to mhtech.lds.org and search for **broadcast survey**.

Closed-Captioning

Closed-captioning for the hearing impaired is available on the Church satellite system in many areas. Where available, it is provided in English on closed-caption channel 1 (CC1), in Spanish on closed-caption channel 3 (CC3), and in Portuguese on closed-caption channel 4 (CC4). If closed-captioning is available in your area, please set up a television monitor for those who need this service. For technical assistance, follow the instructions in *Satellite Equipment Information for the Stake Technology Specialist*.

Closed-captioning in English, Portuguese, and Spanish is also available on the internet for electronic devices that support it.

Video Reproduction

Important: Recording or reproduction of this broadcast in any form is prohibited.

1. The broadcast date, time, and languages are subject to change. See events.lds.org for updates in English. For updates in other languages, contact the assigned administrative office.
