

## **Ask of God**

You've been told  
So many things  
And you've been searching high and low  
You're wondering what  
To believe  
There's always one way to know

Chorus:

If you ask then He will answer  
If you kneel He'll make you whole  
If you close your eyes and whisper  
He will whisper to your soul  
If you're hurting he will heal you  
If you're humble He will come  
If you lack wisdom  
Ask of God  
Ask of God

Line by line  
It slowly grows  
So much clearer than before  
A little time  
A little hope  
And you're not wondering any more

Chorus

Bridge:

And where you used to be afraid  
Cold and lost out on the waves  
Now your faith will pull you through  
And where the wind tossed you around  
Now you're standing on the ground  
Firmly anchored in the truth
