

## Priceless

If you were a diamond ring  
They'd travel far and wide just to adore you  
On display for all to see  
Such a perfect cut that no one could afford you

Pre:

Cause you know  
You're worth more than gold  
It's deep in your soul  
Since the day you were born

Chorus:

You are priceless  
Mmmm  
And that will never change  
You are priceless  
Mmmm  
That's just how you were made  
Though there are times you may not feel that way  
You are priceless  
Mmmm

So, no matter what you've heard  
Don't forget who made you  
And all the riches in all the world  
Could never ever replace you

Pre

Chorus

Bridge:

And that's how He'll always feel about you  
And everything could fall apart without you  
Other things may change  
But one thing always stays the same  
You are worth it  
You are worth it  
Always worth it

Chorus
