Lyrics:  
You're caught in a limbo  
Some-where in-be-tween Two sides Two roads What's it gon-na be  
You're tired of wait-ing But you're scared to choose Deep down you know  
What you need to do — So take — a deep breath Take — the first step  
Fol-low Him and you will find — It's a bet-ter life Bet-ter life O -  
- pen your heart Give — all you got Fol-low Him and you will find —  
It's a bet-ter life Bet-ter life —
