

Service and Activity Planner

As a quorum or class, discuss and write down service and activity ideas. Consider the following in each of the four areas: **opportunities to serve, skills you need to learn, and fun things you want to do or explore.** See ChildrenandYouth.ChurchofJesusChrist.org and JustServe.org, where available, for ideas.

Plan your activities. Identify a purpose for each activity, and understand how it can help you become more like the Savior. Consider reviewing the “[Service and Activity Guidelines for Youth](#)” as you plan.
